

VEXTROM XTRATON ULTRA VISC 25W-60

Multigrade oil for diesel and turbo diesel engines operated under extreme conditions. Its formula designed for the highest viscosity is recommended for vehicles with high oil consumption.

- Its high quality base oils, additives, including a premium viscosity modifier, increase viscosity, compression and engine power.
- High viscosity for proper sealing, thus reducing oil consumption and leaks.
- Protect against rust to reduce engine wear.
- Excellent protection in extreme service and temperature conditions, extends engine life.
- Recommended for engines manufactured in the U.S.A., Europe, Japan, among others.
- Higher Viscosity, maximum protection.

Specification & Approvals:

Meets service standards for API CH-4/SJ and all the previous categories.

XTRATON ULTRA VISC	25W - 60
API	CH - 4 / SJ
API Gravity	27.5
Flash Point °C	245
Viscosity, cSt @100 C°	24
Pour Point °C	-21
TBN	8.00
